

AGENDAS FOR THE WEEK:

March 9 – March 13

	MONDAY (A) A2: 9:32 AM – 11:01 AM A4: 1:17 PM – 2:47 PM	TUESDAY (B)	WEDNESDAY (A) A2: 9:32 AM – 11:01 AM A4: 1:17 PM – 2:47 PM	THURSDAY (B) *SUBBING ALL DAY* *EXAM*	FRIDAY (A) *SUBBING ALL DAY* A2: 9:32 AM – 11:01 AM A4: 1:17 PM – 2:47 PM *EXAM*
	Objective(s): SWBAT * Determine visually whether or not a reaction has occurred * Determine whether and endothermic or an exothermic reaction occurred	Objective(s): SWBAT * * *	Objective(s): SWBAT * Discuss the results of the lab. * Practice balancing equations * Take an SLO Assessment	Objective(s): SWBAT * Take an exam * Complete corrections on their SLO assessment if necessary	Objective(s): SWBAT * Take an exam * Complete corrections on their SLO assessment if necessary
P	Engage Students will look at different statements and determine whether or not a physical or chemical reaction has occurred.	Engage	Engage Students will discuss the results of their lab with the class.	Engage Students will take an exam.	Engage Students will take an exam.
L	Explain Students will be given questions about the lab and discuss their answers with their group. Students will hear lab safety instructions told by the teacher	Explain Explore Elaborate	Explore Students will practice balancing equations. Students will practice for the exam with a Quizziz. Elaborate Students will take an SLO Assessment in preparation for their exam	Elaborate Students will do corrections on their SLO assessment if necessary.	Elaborate Students will do corrections on their SLO assessment if necessary. Students will complete an evaluation over Ms. Blaney's teaching.
A	Explore Students will choose lab roles, read the lab instructions, and do the lab.				
N	Elaborate Students will have time to finish their PhET simulation or practice balancing equations at the end of class.				
	Evaluate and Summary Student answers to questions will be evaluated by the teacher and student lab sheets will be turned in for a grade.	Evaluate and Summary	Evaluate and Summary Student SLO grades will be taken up and evaluated	Evaluate and Summary Student exam grades will be evaluated	Evaluate and Summary Student exam grades will be evaluated
